**PETITION UNDER 37 C.F.R. § 1.84(A)(2)**

Mail Stop Missing Parts  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This is a Petition under 37 C.F.R. § 1.84(a)(2) to accept colored drawings for the above-identified application for Figures 16 through 18. It is difficult with these drawings and photographs to appreciate some of the results of examples discussed in the application without showing the colors, therefore color drawings are necessary.

Included with this petition is a fee set forth in § 1.17(h) of \$100.00. The three (3) sets of colored drawings; and one (1) set of black and white photocopies that accurately depict, to the extent possible, the subject matter shown in the color drawings; and the Amendment to the specification to insert the following language: "The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee." as the first paragraph of the Brief Description of the Drawings were all filed on **July 6, 2004**.

Please direct any inquiries to me. If there are any additional fees due or overpayment please contact the undersigned attorney at (760) 473-9472.

Respectfully submitted,
